*"Celebrate endings—for they precede new beginnings."*

*—Jonathan Lockwood Huie*

### Empowering voices, shaping narratives - our daily assembly speaks volumes

Daily speaking in assembly is a powerful ritual that unites a community or organization, creating a space for shared insights, information, and inspiration. Whether led by leaders, students, or professionals, these sessions serve as a platform for communication and connection. They provide an opportunity to disseminate important updates, celebrate achievements, and instill a sense of unity among participants. Daily speaking in assembly fosters a culture of open communication, encourages active listening, and reinforces key values and messages. It's a daily rendezvous that sets the tone for the day, offering a moment of reflection, motivation, and community building.

### Visit to Old Age Home

A group of compassionate students, accompanied by their supportive PRINCIPAL [Fr. Gigy Mathew Malikutiyil] dedicated teacher [Ms. Sunita], and respected academic director [Mr. Nazish Jamali] embarked on a heartwarming journey to an old age home. Fueled by a collective desire to make a positive impact, the students eagerly engaged with the elderly residents, fostering meaningful connections that bridged generational gaps.

### Celebration Of Navy Day

In celebration of Navy Day, our school hosted a special assembly brimming with patriotic fervor. Navy Day is a celebration that honors the achievements and contributions of a country's navy. It's a day to recognize the importance of naval forces in safeguarding maritime interests and national security.

The assembly served as a poignant reminder of the Navy's crucial role in safeguarding our nation's shores and promoting maritime security. It was an inspiring occasion that instilled a sense of pride and gratitude among the school community.

### Thread Painting Activity

Thread painting classes in school offer students a unique opportunity to explore the intersection of art and textiles. In these classes, students learn the intricate technique of using thread as a medium to create detailed and vibrant images on fabric. The process involves layering threads of various colors and textures to build up a composition, much like traditional painting. Students develop skills in color blending, shading, and precision stitching, resulting in stunning textile artworks. Beyond honing their artistic abilities, these classes foster creativity, patience, and attention to detail, providing a hands-on experience that transcends conventional forms of artistic expression.

**“ Celebrating another trip around the sun - where moments become memories and wishes light up the day!**

Birthday celebrations, a universal tradition, bring joy and reflection. Whether marked with intimate gatherings or lively parties, birthdays serve as milestones, reminding us of the passage of time and the significance of each year. The joy of sharing laughter, creating memories, and expressing affection makes birthdays special. It's a day when individuals are celebrated for simply being themselves, surrounded by the warmth of well-wishes and the glow of candles. From the joy of unwrapping gifts to the sweetness of cake-cutting moments, birthdays offer a cherished opportunity for connection and celebration, making each passing year a cause for gratitude and excitement.

**“Dedication personified: Celebrating those who never missed a moment.**

Acknowledging and celebrating individuals with 100% attendance reflects a commendable commitment to punctuality and responsibility. These awardees have demonstrated unwavering dedication to their commitments, showcasing a strong work ethic and a sense of responsibility. Achieving perfect attendance requires resilience, discipline, and a genuine passion for one's responsibilities. It not only speaks to the individual's reliability but also contributes positively to the overall work or academic environment. Recognizing and appreciating those with 100% attendance serves as motivation for others to prioritize consistency and reliability in their own pursuits.
